COVID-19 Stakeholder Update / 07.05 20

This is the Ministry of Justice's regular stakeholder communications update service. This is intended to signpost the latest COVID-19 guidance and central government updates.

We encourage organisations to share these updates with your wider networks to ensure a wide circulation of important communications. For monitoring and evaluation purposes, we'd gratefully receive information on who you are sharing this with.

We would also find it helpful to know about your own communications plans and any intel that will help inform our communications moving forwards. Please do get in touch at stakeholder.intel@justice.gov.uk.

The Stakeholder Update service will not run over the long weekend. This will resume from Monday 11 May.

- [We have robust and flexible plans to ensure we can continue to deliver key services across the justice system.](#)
- A network of priority courts will remain open during the coronavirus pandemic to make sure the justice system continues to operate effectively.
- [The latest modelling by Public Health England and HMPPS](#) indicates that jails are limiting deaths and the transmission of COVID-19 within the estate, through the use of 'compartmentalisation' measures.
- Selected lower-risk offenders, within weeks of their release dates, and pregnant women in custody who do not pose a high risk of harm to the public will be temporarily released from prison. This will help to limit the spread of COVID-19, protecting staff, prisoners and the NHS.

HMCTS

NEW: HMCTS Chief Executive Susan Acland-Hood has written a guest blog for The Law Society. The piece focuses on the wider use of technology to keep the courts system running, and thanks solicitors for their part in embracing new temporary ways of working: <https://www.lawsociety.org.uk/news/blog/using-technology-to-maintain-our-justice-system-during-the-coronavirus-pandemic/>

During this unprecedented public health emergency, we are adjusting practices and taking steps to minimise the risk to the judiciary, court staff and users. Any changes to individual hearings will be communicated directly to those affected in the usual way, by email and/or phone. The following page will continue to be updated when new advice is available: <https://www.gov.uk/guidance/coronavirus-covid-19-courts-and-tribunals-planning-and-preparation>

HMPPS

Prisons and probation services have implemented significant changes to comply with the Government's social distancing rules and to protect staff and service users. The service has been working closely with public health experts, as well as criminal justice partners, to ensure that robust contingency plans are in place and immediate action can be taken wherever cases are identified. The following page will continue to be updated when new advice is available: <https://www.gov.uk/guidance/coronavirus-covid-19-and-prisons>

As of 17:00 on WEDNESDAY 6 MAY:
